Consent for Services

As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care and financial responsibility on the part of each patient must be determined before treatment.

All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for in cash at the time services are performed.

Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patients insurance forms or assist in making collections from insurance companies and will credit any such collections to the patient's account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company.

A service charge of 1½% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied. A service charge of \$25 will be applied for all returned checks. You are responsible and agree to pay all cost of collecting or attempting to collect, including attorney fees.

I understand that the fee estimate listed for this dental care can only be extended for a period of six months from the date of the patient examination.

In consideration for the professional services rendered to me, or at my request, by the Doctor, I agree to pay therefore the reasonable value of said services to said Doctor, or his assignee, at the time said services are rendered, or within five (5) days of billing if credit shall be extended. I further agree that the reasonable value of said services shall be as billed unless objected to, by me, in writing, within the time for payment thereof. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

I grant my permission to you or your assignee, to telephone me at home or at my work to discuss matters related to this form.

I have read the above conditions of treatment and payment and agree to their content.

Non-Covered Services Policy

As your dentist, I want to provide you with your choice in dental services. There may be certain services that are not covered by your insurance company.

For the service(s) listed below you will be expected to pay the fee schedule difference. For that service(s) or pay for the service in full. For example, most dental contracts will pay for an amalgam (silver) filling on posterior teeth when a composite (tooth colored) is used. For example on crowns, you may choose a higher end porcelain/gold restoration. Any fee from the lab above the PPO or insurance plan fee schedule will be your responsibility.

In addition, procedures that are considered cosmetic are not covered by your contract and you will be responsible for payment in full. We only estimate what your insurance will pay and they always give a disclaimer when calling for information that benefits and payment are not guaranteed until a claim is received and processed.

Let me reassure you only services necessary and appropriate for you treatment and care will be performed. If you have any questions, someone in our office will be happy to assist you. Thank you for your understanding and we appreciate you choosing our office to help you with your dental health.

Composite Fillings on Posterior Teeth

Services that may not be covered as explained to the patient.

I have read your policy and agree, as indicated by my signature below, to pay for the services above that are not covered or for which payment is not allowed by my insurance contract.
